PROJECTS

- **Personal Portfolio Website (2025)**

  Develop and deployed a responsive professional portfolio to showcase technical skills and projects. Built using fundamental HTML, CSS, and JavaScript, serving as a dynamic, interactive digital resume.

- **Intelligent Integrated Wearable Safety System for Elderly Fall Prevention and Child Abuse (0CT-2025)**

  Built an IoT-based wearable safety system with fall detection and automatic alerting to improve safety for elderly and children.

- **Two way smart irrigation system (AUG-2025)**

  Designed an IoT-based smart irrigation system with automated water supply and drainage using soil-moisture sensing and remote monitoring to optimize water usage and prevent crop damage.

- **Automatic fire detection with IoT Alerts (APR-2024)**

  Designed an embedded fire detection and suppression system with automated water spraying and GSM-based emergency alerts.

KNOWLEDGE ENGAGEMENT

- Attended the CII (Confederation of Indian Industry) 8th Edition CONNECT Madurai 2025 – INVESTECH SOUTH, held on 28 November 2025 in Madurai.
- Completed a two-day technical workshop on "Empowering IoT," conducted by the ECE Department, Velammal College of Engineering and Technology, Madurai (August 2024).
- Participated in the DST-SERB sponsored Pre-Conference Workshop of VInCE'24 on "Cybersecurity Applications & NIR Spectrometers," held on 16 May 2024 at Velammal College of Engineering and Technology, Madurai.
- Successfully completed a two-day Generative AI workshop during Kurukshetra '24, held on 1–2 March 2024 at CEG, Anna University, Chennai, with hands-on exposure to LLMs and prompt engineering.

PATENT/RESEARCH

- Presented a research paper titled "An Overview: Clean Air, Healthy Care–AI-Driven Oxygen Purification in Hospitals" at the VAANI International Conference on Medical Devices, Diagnostics, Imaging & Digital Technologies (ICMDID-2024).
- Patent Filed (2024): Energy-harvesting and edge-enabled power system for sustainable WSNs in LPWAN deployments (Application No. 202441062415, filed 30 Aug 2024).
